1 Introduction

1.1 Scope

This document defines the specific requirements for suppliers of AW09 program.

1.2 Summary and purpose

The complete set of requirements that each supplier commits to fulfil for providing Articles and/or Services are described in the main LH document (QRS-01 Quality Requirements for Suppliers) including its associated modules and in Kopter BS 10144444 and BS 10167421.

The present document clarifies the specific applicability and exclusions of QRS-01 requirements including related modules, and where requirements/modules are excluded, reference is made to Kopter BS 10144444 and BS 10167421.

1.3 Applicability

The present document “QRSK-01 - Quality requirements for AW09 suppliers” is applicable to all types of suppliers having an activity related to the program AW09. These requirements shall be flowed-down to all sub-tier suppliers involved in fulfillment of the contract/purchase order related to AW09 program.

When QRS-01 and/or QRS-XXX modules are called out in a Kopter AW09 Purchase order, the present document (“QRSK-01 - Quality requirements for AW09 suppliers”) is also applicable and the QRS-XXX modules apply according paragraphs 2 and 3.

The requirements defined in the present document prevail over QRS-01 requirements when there is a conflict.

When “Quality control” is mentioned in QRS-01 and/or QRS-XXX modules, read “Kopter Product Quality”. Kopter Product Quality shall be contacted at: productquality@koptergroup.com.

Any deviations, further exclusions, waivers shall be agreed in writing with Kopter Supplier Quality Assurance (Kopter Supplier Quality Engineers, SQEs).

1.4 Ownership

Kopter Supplier Quality Assurance.

1.5 Effective date

The document is effective starting from 3rd July 2023.
